FOR FURTHER REFLECTION AND DISCUSSION

1. How intentional are you in praying for people in your world who are far away from God? Can you name Friends, Relatives, Acquaintances, Neighbors, and Colleagues you are praying for?
2. What do you think “salty conversation” looks like with outsiders (those who are outside a relationship with Christ)? What can you say that would make an outsider curious/thirsty to hear more?
3. Can you remember what the acrostic *BLESS* stands for? What is a next step you can take in blessing folks in your relational world? Share your goal with your small group.
4. Who do you have around you to encourage you and hold you accountable to be a “truth teller”? Who are you encouraging? Do you believe Jesus could use you to lead someone to Him?
